Danny's Music

Blues Don't Care

The blues don't care if you're ugly

The blues, the blues don't care if you're old

The blues only has one rule

When you play it

You gotta play it with soul

Play it with soul

The blues don't care about the color of your skin

Don't know your name, don't care where you been

Don't matter if you're broke and lonely or balled up on the floor

When you play it, you gotta play it with soul

Play it with soul

Oh you know what I'm talking about

The blues don't care if you're ugly

The blues, the blues don't care if you're old

The blues only has one rule

When you play it

You gotta play it with soul

Play it with soul
